EXPERIENCE

MICROVERSE   Remote
Mentor (Volunteer)   July 2021 – Now
- Mentored junior web developers, providing technical support through code reviews.
- Proposed improvements to code organization to improve code quality and overall performance.
- Provided advice and tips on how to maintain motivation to maintain longevity in the program.

INTERNATIONAL ORGANIZATION FOR MIGRATION (IOM)   Bujumbura, Burundi
Information Technology Assistant   July 2016 – April 2020
- Reduced workstation set-up time by 50% by developing a disk-cloning procedure for streamlining OS system implementation and security properties configuration.
- Increased employee satisfaction, by providing them with stable systems to work on.
- Successfully implemented a MAN between 5 offices in different provinces.

UNICEF   Bujumbura, Burundi
Junior Fellow in Open Source Software   September 2014 – March 2015
- Provided training to university students working on projects aimed at the most disadvantaged children and adolescents.
- Conducted weekly workshops for 3 months using open source tools and platforms that strengthened the technical capacities of the participants.

EDUCATION

MICROVERSE   June 2021 – Now
Remote Full Stack Web Development Program, Full Time
- Spent 1300+ hours mastering algorithms, data structures, and full-stack development while simultaneously developing projects with Ruby, Rails, JavaScript, React, and Redux.
- Developed skills in remote pair-programming using GitHub, industry-standard git-flow, and daily standups to communicate and collaborate with international remote developers.

LOVELY PROFESSIONAL UNIVERSITY
Master of Science in Computer Science   September 2011 – October 2013
- Built a CMS using ASP.net Technology
